YOUR COMPLETE SOURCE FOR ALL EVENT NEEDS

PPE Product Line

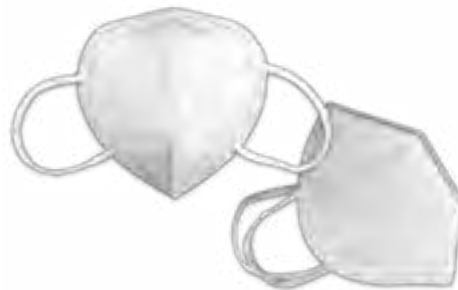

MASK SOLUTIONS

Call for Custom Designs

Single Use

Our 3-ply non-woven fiber material is comfortable, soft, and breathable.

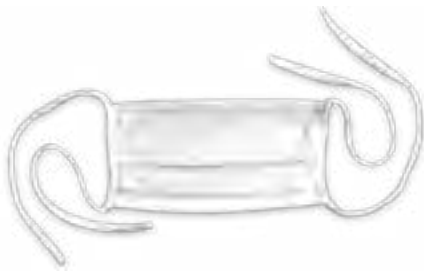

Non-medical KN95 masks have four layers of protection for added filtration.

The face shield's wrap around design protects the eyes, nose, and mouth from sprays and splatters.

Reusable

The 2-ply cotton cloth face cover is adjustable to fit all ages

Our two layer black cotton masks come with or without filters.

Enjoy four layers of protection! Filters available.

Custom Face Masks

Single Use

Provide your customers and employees with a convenient, disposable face mask solution branded with your logo

Reusable

White ink printing makes your logo stand out on our black cotton masks.

Choose full color printing for maximum impact and vivid patterns.

Customize a bandana or a fandana! Our fandanas are tubular shaped with water absorbing fabric to keep you cool and dry.

Feather Banners

Choose from different base attachments to keep your flag sturdy on grass, sand, or solid surfaces like cement.

Sandwich Boards

Easy to set up and take down, these signs are perfect for the walkway outside your business.

Yard Signs

H-wire stakes are included for an easy set up

SAFETY SOLUTIONS

Call for Custom Designs, Shapes and Sizes

Screening

Use wristbands or stickers to clearly mark that an employee or customer is screened and safe to enter your building.

Thermometers

A no touch thermometer is the safest and most reliable way to check temperatures and avoid contamination.

Non Contact Door Openers

Open doors and press buttons without touching contaminated surfaces, keeping your hands clean!

Kits

Easily customize our protective kits with your branding.

Gloves

Choose from a variety of disposable gloves.

Hand Sanitizer

Various Sizes

Choose from a variety of hand sanitizer sizes

1 Gallon with pump

Place hand sanitizer pumps throughout your workplace to make it easy for employees to keep their hands clean.

Sanitizer Stand

Our touch-free hand sanitizer stands add an extra element of safety for your employees and customers.

* dispenser and stand sold separately

STICKER SOLUTIONS

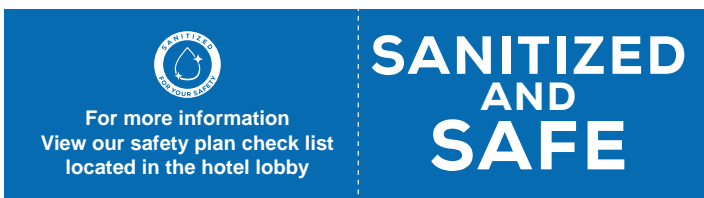

Call for Custom Designs, Shapes and Sizes

Clean and Safe

Let your customers know that a surface or room has been sanitized and is safe for use with our bright stickers!

Hotels

Place these perforated stickers on the outside of hotel or office room doors to show that the room has not been entered since it was last cleaned and sanitized.

Fun Extras

Use these fun stickers to remind employees to wear their masks or to thank health care workers. Or design your own!
